

If you have exhibits (document, object, or video/audio recording) for use as evidence during your upcoming trial or hearing, it is important to follow the instructions below for guidance in preparing your exhibits.

**STEP 1:** List the exhibit number, case number, and page number of each of your exhibits in the lower, right-hand corner.

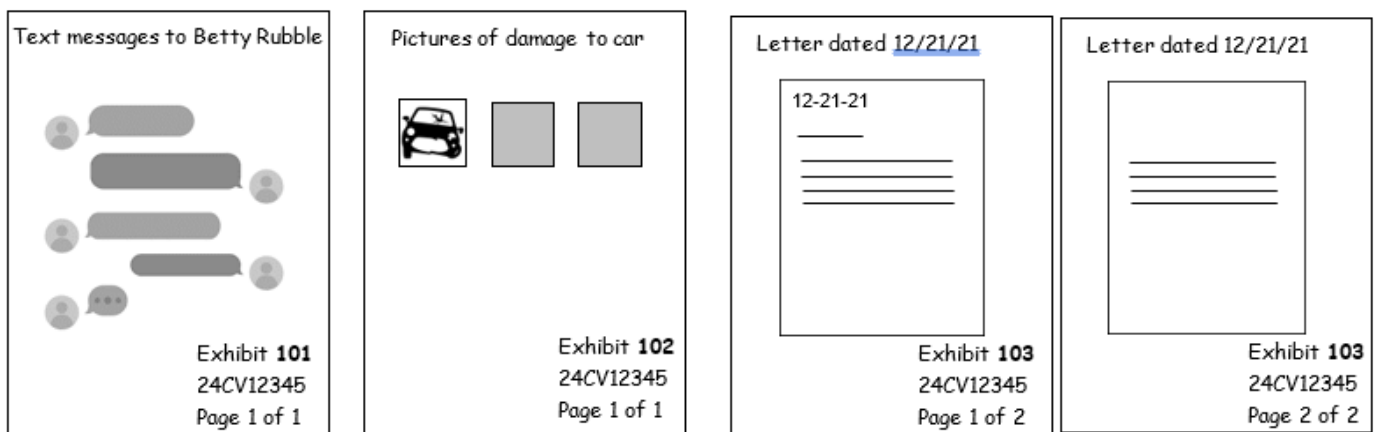

- If you are **Plaintiff** or **Petitioner** in the case, start with “Exhibit **1**” and continue consecutively until all exhibits are labeled.

*See examples below. Notice exhibit 3 has more than one page.*

- If you are **Defendant** or **Respondent** in the case, start with “Exhibit **101**” and continue consecutively until all exhibits are labeled.

*See examples below. Notice exhibit 103 has more than one page.*

- Fill out the form with your specific case information, including the parties' names, case number, and date of your trial or hearing.
- List your exhibits in numerical order (beginning with 1 or 101) and give a brief description of the exhibits you've labeled.
- Be sure to include all exhibits: Document exhibits, physical object exhibits, and audio/video exhibits submitted on flash drives.
